

Wrapping and Drop-off Instructions

Thank you very much for brightening a child's holiday! So many of these children are much less fortunate than we are, and these will most likely be the only presents they receive this year.

To ensure that your child receives the gifts you are personally shopping for, please do the following:

- Wrap each gift individually and label it with his/her name. You do not need to write "from" – the caregiver can fill that in.
- Place all of the gifts into a large black garbage bag and tie it closed securely.
- On the outside of the bag, securely affix a label (shipping tape works best) with LARGE printed lettering. Include:
 - Agency's name
 - Child's name
 - Child's #
- Follow instructions for drop off sent with your sponsorship assignment.

Thank you for making a difference in the life of a child!

Please note that you are not expected to purchase everything on a child's wish list... these are merely suggestions! We do ask that you purchase at least one item from each category (a want, a need, and an educational item). Please limit your purchases to **\$75.00-85.00 for each child.**
